DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: there are no prior arts teaching or suggesting of an integrated intercom and security system comprising:

a local integrated intercom and security system, said local system including:

a first plurality of user interfaces each user interface associated with a dwelling and including a two--wav audio communication system and a visual display;

a second plurality of user interfaces each user interface associated with a dwelling and including a two-way audio communication system and a visual display; and

a first riser connecting the first plurality of user interfaces;

a second riser connecting the second plurality of user interfaces;

a central communication station operatively connected to the first and second risers and in communication with all of the user interfaces; wherein the central communication station is capable of sending text message to one, to all or to a selected group of the user interfaces; and

a remote communication unit in real time communication with the local system via a globally accessible communication network.

In another embodiment, an integrated intercom and security system comprising:

a first plurality of user interfaces each user interface associated with a residential unit, and each user interface including a two-way audio communication system and a visual display;

a second plurality of user interfaces each user interface each associated with a residential unit, and each user interface including a two-way audio communication system and a visual display; and

a first riser connecting the first plurality of user interfaces;

a second riser connecting the second plurality of user interfaces;

a security system operatively connected to each of the user interface, the security system including, a plurality of cameras, each camera being disposed to capture images from a distinct zone;

a remote door lock, the door being adapted to open upon receiving a message from a user interface; and

an electronic directory including a public display feature for displaying information, wherein the information displayable by the public display is limited to names associated with each unit;

wherein each user interface is operatively connected to each of the cameras to receive images from each of the zone.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 2612

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from examiner should be directed to primary examiner **Van Trieu** whose telephone number is (571) 272-2972. The examiner can normally be reached on Mon-Fri from 7:00 AM to 3:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, **Mr. Mike Horabik** can be reached on (571) 272-3068.

A handwritten signature in black ink, appearing to read 'Van Trieu', with a long, sweeping horizontal stroke extending to the right.
